

Anglo/Brazilian
Northern Mato Grosso Expedition 1967/69

FLORA OF MATO GROSSO

No. R. 1467

Shychnos

33 km N of Base Camp of the Expedition.
(Base Camp $12^{\circ}54'S$ - $51^{\circ}52'W$, c.270 km N of
Xavantina).

Climbing on fallen tree in dry
forest. Prior to its falling the tree would
be 15 m tall and the liana extends
to its top. Flowers yellow-cream, pleasantly
scented.

Date: 20.5.1968
