

FLORA OF BRAZIL

State of Goiás

No. R. 3544 *Syzygium jambos* (L.) Alston  
det JBS Blewett '93  
Eugenia

---

Near Goiás Velho

Small tree, 4m tall.

Petals white.

In forest on the banks of a stream, but possibly a relic of long-abandoned cultivation since a mango is growing next to it.

Date. 5.9.1976

Coll.: J.A.Ratter
